

# LEG 5

6.1 Mi.-Very Hard

## LEG DESCRIPTION:

Long leg in length over very challenging rolling hills along Highway 26 on paved shoulder.

## LEG NOTES:

Runners on right side of road along HWY 26. No stopping on left side of HWY 26 to water runners. No one but runner allowed in exchange.

**Intersection of Cherryville Rd. and HWY 26:** Vans to turn right onto Cherryville Rd., proceed to Baty Rd, turn left and return to HWY 26. **Right lane is closed ahead to all other motorists to allow HTC vans ONLY to use this right lane.** Proceed slowly as directed through the cones along the right lane to parking along the shoulder near the exchange. It is very important to follow all volunteer instructions along this area.
